

ABENA®

Art. no. 150224

## Washing Foam

Abena's Washing Foam is mild and with effective cleaning properties for personal hygiene. A good alternative to traditional washing with water and soap.

The washing foam is very easy to apply and gentle to the skin. It is ideal to use when changing incontinence products, as it removes perspiration salts and unpleasant body odors effectively. Specifically formulated to moisture and helps to nurture skin.

- Apply and distribute carefully after removing visible urine and/or feces. Wipe the excess lotion away with paper or a towel
- For daily care. Dosage according to need
- This product should only be used externally on the body. Avoid contact with eyes
- Produced for Abena A/S, DK under ISO 9001:2008 and ISO 22716:2007
