Wet Wash Gloves

Abena's disposable Wet Wash Gloves have a pleasant cleansing and moisturizing effect, and are a good alternative to the traditional bath with water and soap. The gloves remove perspiration and bad odors.

Comprehensive tests done at the Radboud University in Holland showed that the use of our wash gloves improves skin condition over time.

- Manufactured in a thick quality that feels soft on the skin
- The wash gloves are embossed and will wash and retain dirt with its characteristic structure and help to wash in a gentle way
- This product should only be used externally on the body. Avoid contact with the eyes.
- Produced for Abena A/S, DK under ISO 9001:2008 and ISO 22716:2007
