

Art. no. 6996, 6963

## Zinc Ointment 20%

Abena Zinc Ointment (water-in-oil emulsion) is ideal for skin that requires barrier care. It provides a protective barrier to the skin for up to 8 hours.

It contains 20% Zinc Oxide, which is known for its antiseptic properties and helps calm irritated and/or red skin. The ointment leaves a protective barrier on the skin and minimizes contact with liquids and feces.

- Contains no colorants or perfume.
- For daily care/repair of the skin. May be used frequently
- Apply and distribute carefully in a thin layer.
- Dosage according to need
- Easy to remove from the skin
- This product should only be used externally on the body.
- Avoid contact with eyes
- Abena A/S, DK under ISO 9001:2008 and ISO 22716:2007
